

Subject: Job No 3582 - Jeff Rudd

Hi,

I have transferred the final payment of \$632.60 to your account - should go in tomorrow.

We are very pleased with the end result - it is exactly as we had hoped for.

Ben (and his offsider) have done an outstanding job installing the cupboards into a not-so-square area. The fit of the doors, the shelving and the finish of the job are all excellent.

We would thoroughly recommend R & A Cabinets to anyone.

Thank you to all involved for a professional job well done - it has been a pleasure dealing with you.

Regards,

Jeff & Elizabeth.
